"Promoting Litter-Free Roadways Around the World"

IAAHA CONFERENCE CONNECT

TUESDAY, DECEMBER 8, 2009

Closing Remarks

President - Denise Wallman, Nebraska Department of Roads

We've shared a lot of great information this afternoon. I want to thank everyone ... presenters and attendees....it's been a pleasure connecting with all of you again.

A special thank you goes out to Stacy, Margie and Michael with MODOT for hosting and making this *Conference Connect* a reality. And to everyone ... I for one appreciate your cleaning up the environment and preserving our beautiful world; to do this – it takes dedication and passion from all of us.

Until we meet again- - - stay healthy, safe travels, and Happy Holidays!
